

Calculation Sheet

Abington Township, PA

1176 Old York Road, Abington PA 19001, Fax: 215-884-8271, Telephone: 267-536-1000 x4

This calculation sheet is required to be completed for all additions, decks, patios, sidewalk, accessory buildings, pools, driveways and all other impervious coverage added to the site. This calculation sheet is in addition to the required site plan. Impervious coverage is defined as surfaces that do not absorb stormwater. Asphalt, concrete and other surfaces determined by the Township Engineer to fall within this definition shall be considered impervious. Measurements should include length x width and/or square feet. **Both existing impervious coverage and proposed impervious coverage must be included. Only include what is applicable. (ex: if no swimming pool exists, leave blank)**

Circle Zoning District: R-1 R-2 R-3 R-4

Address: _____

Lot area in square feet: _____

	EXISTING	PROPOSED
Size of dwelling (including attached garage if applicable):
