

## Now Offering Telephonic Services

The Council of Southeast PA's Southern Bucks Recovery Community Center has new expanded Recovery Support Services available by phone and on Zoom.

We have expanded hours on the Referral/Information Line, which is now staffed live from 9:00 am – 9:00 pm M-F (800) 221-6333

Please reach out, and learn more about how we can support your recovery or help those who may be struggling even as we all practice strong social distance:

- The Info Line is now staffed live from 9:00 am – 9:00 pm M-F Call (800) 221-6333 for Referral/Information about Substance Use Disorder for yourself or a loved one
- Staff are also hosting a Recovery Support Group Chat on Zoom from 9:00 am – 9:00 pm M-F This is open to community members to virtually drop in for Recovery Support and/or CRS services, by joining at URL: <https://zoom.us/j/703846091>
- Staff have implemented online groups via Zoom that mirror the group sessions that had been occurring in person at SBRCC prior to the COVID-19 emergency. There are 3 groups offered daily Monday – Saturday. New referrals for these groups can learn more or register by calling Info Line or joining the Recovery Group Chat on Zoom as described above.
- Certified Recovery Specialists are available to support people individually by telephone or video, and referrals can call the Info Line or visit the chat room to get connected.

---

The Council of Southeast PA, Inc. is continuing to provide Intervention Services via telehealth during the COVID-19 pandemic. We recognize the importance of consistent services and support during this difficult time. Telehealth Services are provided via video technology such as with a laptop or smart phone. When video technology is not accessible services, we are able to provide services by phone.

The following services are available via video technology or phone:

**Assessment and Treatment**

Drug and Alcohol Assessments for Adolescents and Adults

Outpatient Individual and Group Therapy for Adults  
Outpatient Individual Therapy for Adolescents

**DUI Services**

CRN Evaluations (Court Report Network)  
DUI Assessments  
Alcohol Highway Safety School

**Case Management Services**

*New Referrals and Existing Clients*  
Intensive Case Management  
MOMS (Mother's Overcoming Mood Altering Substances – pregnant and post-partum women)  
Outreach and Family Strengthening programs for Bucks County Children and Youth  
TASC – Case Management and Cognitive Skills Group

If you or anyone you know are interested in services, please call one of the numbers below:

For Assessment and Treatment Services - 215-230-8715 and press 2

For DUI Services - 215-230-8715 and press 1

For Case Management Services - (215)781-3134

*Case Management, MOMS and CYS services referrals can be emailed to [sthomson@councilsepa.org](mailto:sthomson@councilsepa.org)*
