

Tyson Ave. Road Closure and Detour

In order to accommodate resident parking in the construction area, Tyson Ave is being closed to thru traffic between 832 Tyson and Easton rd.

We will be closing the road mid-day on Monday 5/18.

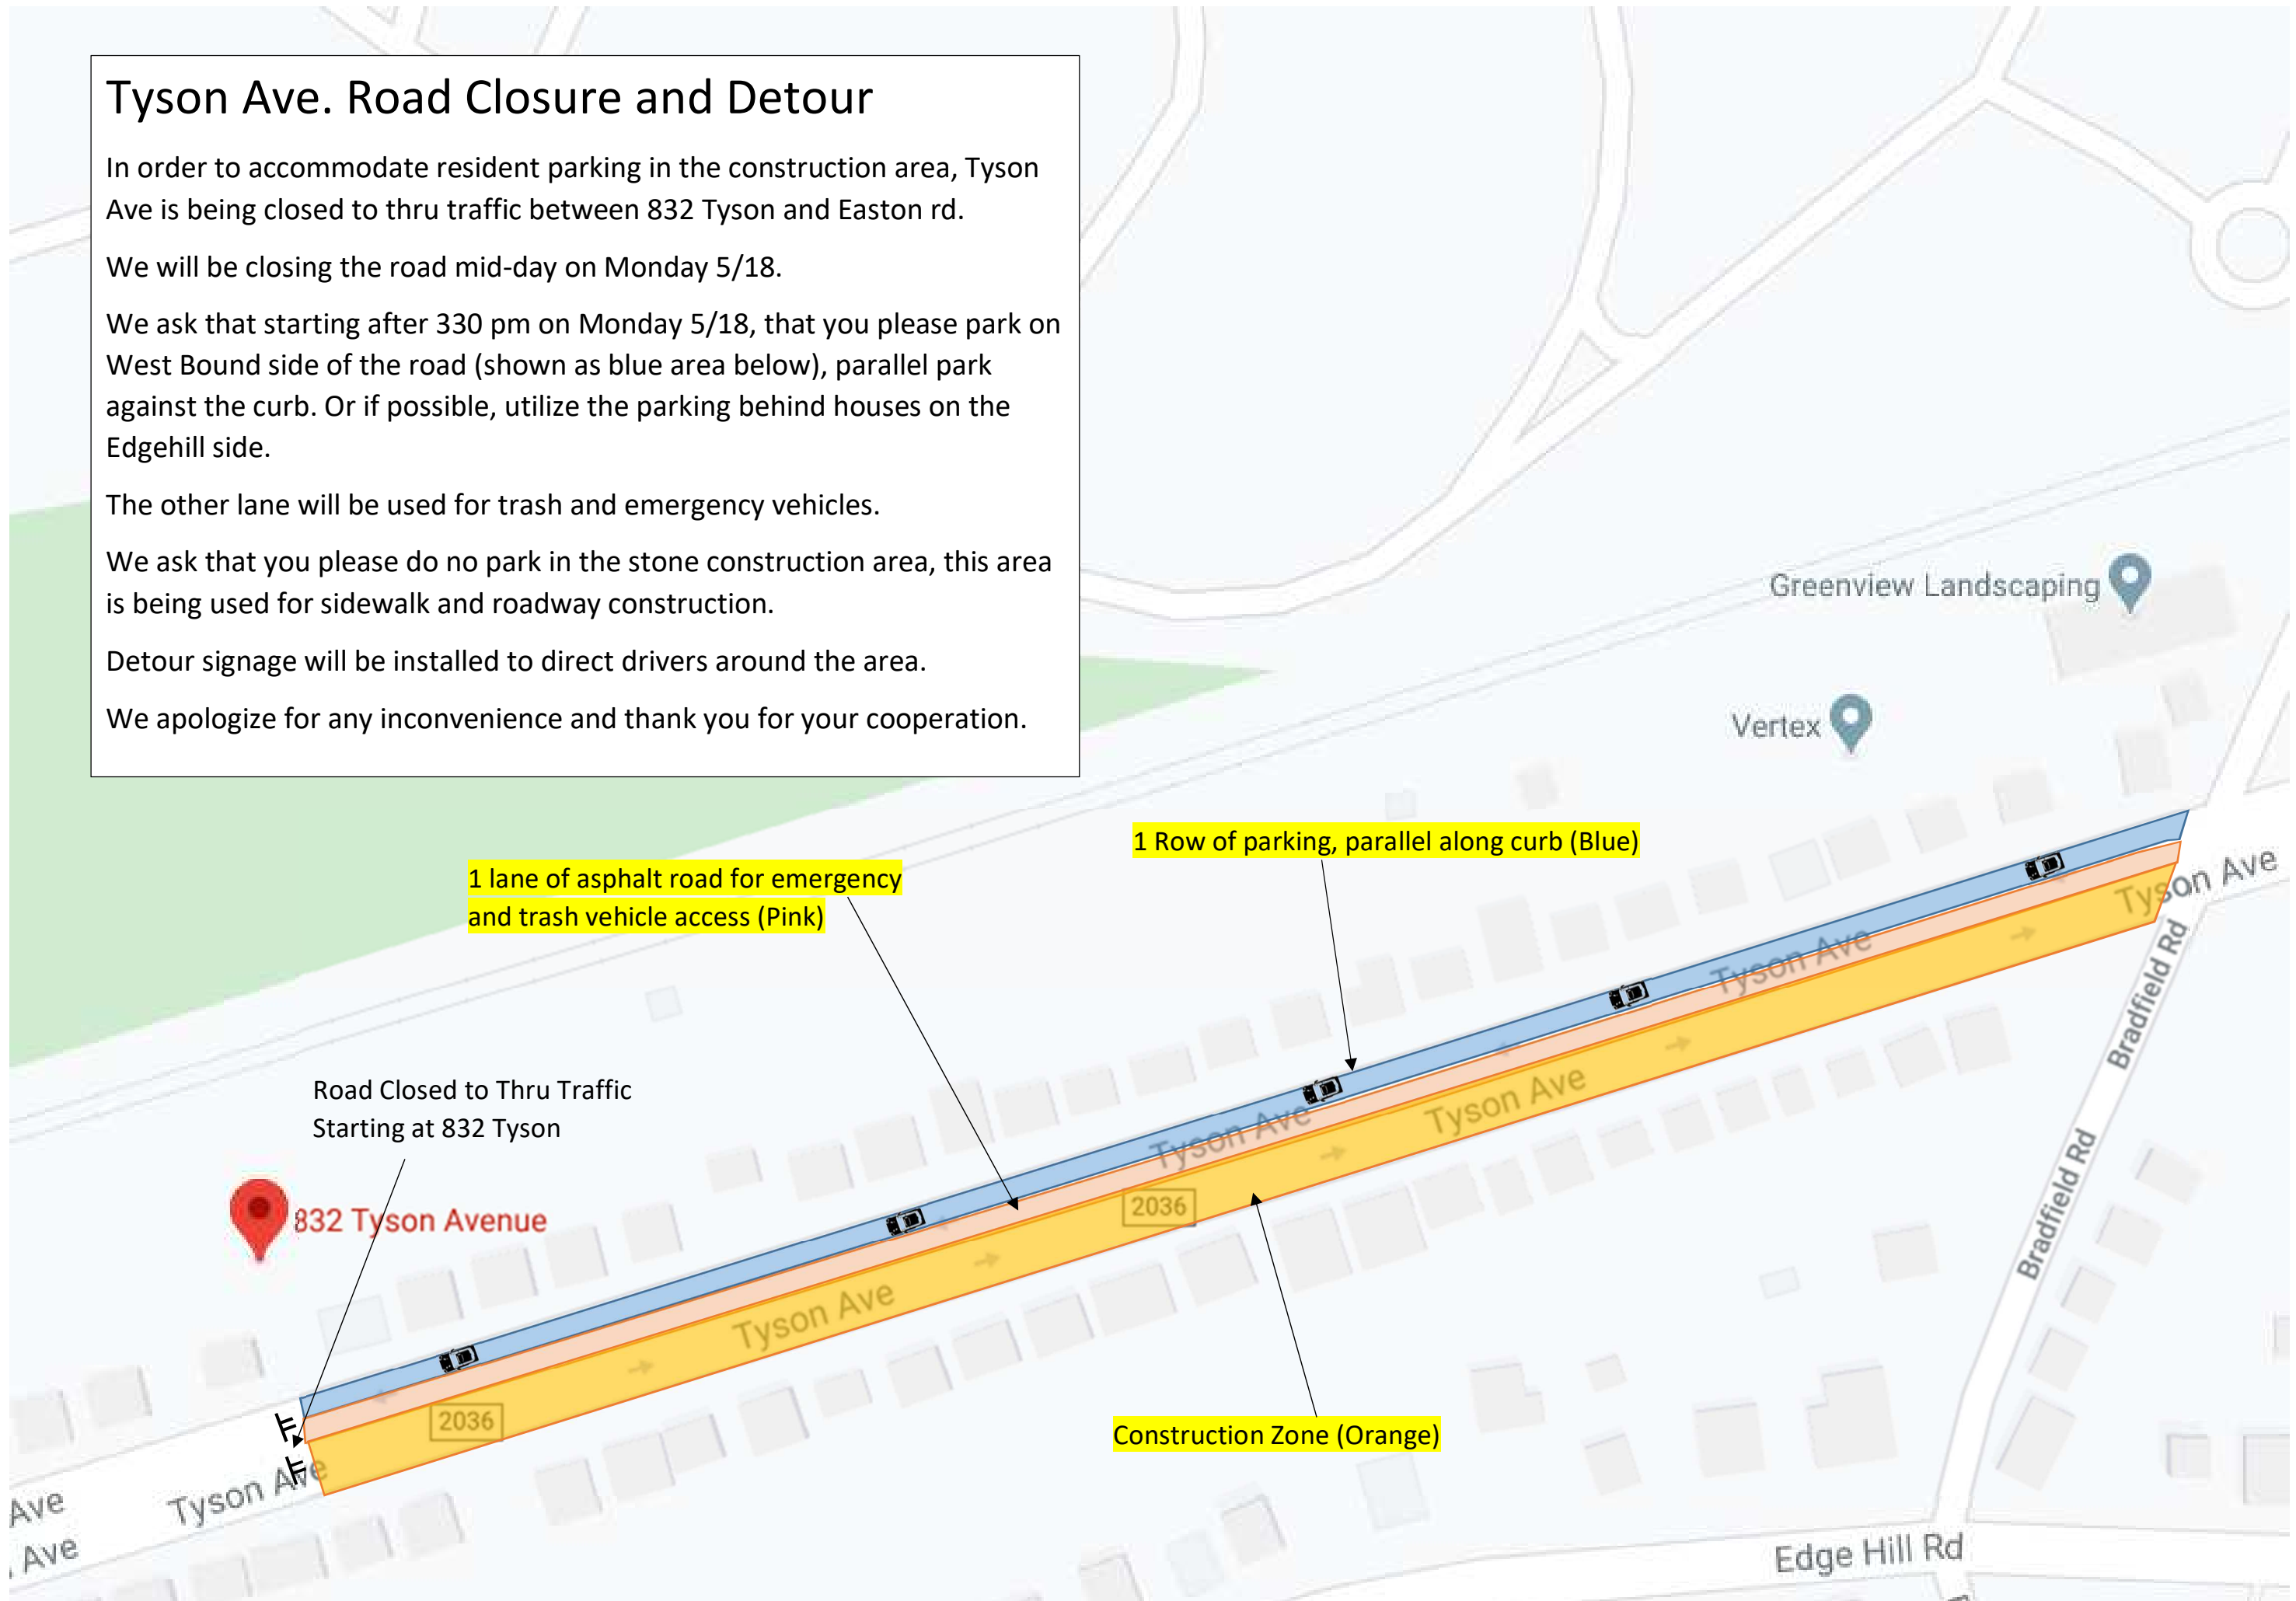

We ask that starting after 330 pm on Monday 5/18, that you please park on West Bound side of the road (shown as blue area below), parallel park against the curb. Or if possible, utilize the parking behind houses on the Edgehill side.

The other lane will be used for trash and emergency vehicles.

We ask that you please do not park in the stone construction area, this area is being used for sidewalk and roadway construction.

Detour signage will be installed to direct drivers around the area.

We apologize for any inconvenience and thank you for your cooperation.
