RE: Landscape Plan for Development at 2947 and 2949 Elliot Avenue, Roslyn, PA

SUMMARY

As a follow up to the STC advisory letter dated April 9,2020, Mr. Littlefield forwarded the revised landscape design for the subject property, dated 07/10/20, to the Abington Township Shade Tree Commission (STC). Members of the STC reviewed this design and find the plant schedule and placement to be suitable for the site. Further, the STC is prepared to provide guidance for species selection and placement for the proposed 8 3"-caliper shade trees designated for public grounds.

Respectfully,

Rita W Stevens, Chair Abington Shade Tree Commission
