ELECTIONS

To participate in a political party's Primary Election, you must be a registered member of that party. Any registered voter may cast a ballot for any candidate in General Elections.

POLLING LOCATIONS

Normally, this area of the calendar would feature the list of precinct polling place locations in Abington Township. However, throughout the COVID-19 pandemic, Montgomery County has had to make multiple adjustments to voting locations based on current conditions. Therefore, to avoid potentially providing incorrect information and creating confusion, the Township is referring residents to Montgomery County Voter Services (610-278-3275) or the following website to find the most up-to-date information on where to vote:

<https://www.pavoterservices.pa.gov/pages/pollingplaceinfo.aspx>

ABSENTEE AND MAIL IN VOTING

Residents have two options for mail in ballots in Montgomery County, absentee and mail-in ballots.

ABSENTEE BALLOT: For residents who will be away during the election and are unable to vote in person, have a disability, or an illness.

MAIL-IN BALLOT: For all other voters who wish to vote by mail, but are not an absentee voter.

REQUESTING A BALLOT: Residents can apply for an absentee or mail in ballot online, by mail, or at designated locations. For more information and important deadlines visit www.votespa.com.

IMPORTANT INFORMATION

For additional information, including deadlines, forms, frequently asked questions, and volunteer opportunities, please visit www.montcopa.org/voters and/or www.votespa.com.

POLICE

Emergency Call 9-1-1

MISSION

The members of the Abington Township Police Department will be guided by the values of our community and will faithfully perform their duties in accordance with the United States Constitution, the International Code of Police Ethics and all federal, state and local laws. To help accomplish this mission, the Department has adopted the motto, "To Protect and Serve with PRIDE."

The Department is comprised of 92 sworn officers organized into 4 divisions.

PATROL: Responsible for uniformed and plain clothes patrol duties, bicycle patrol, honor guard, traffic enforcement, accident investigation, emergency response, K-9, SWAT Team and crisis negotiation.

DETECTIVE: Responsible for criminal investigations, forensics, drug investigations, intelligence, evidence management, applicant background checks and juvenile crime investigations.

COMMUNITY POLICING: Responsible for crime prevention, youth-oriented, and community-based initiatives, Traffic Safety Unit, D.A.R.E, Youth Aid Panel, Police Athletic League, Victim Service Liaison Unit and linkage with community groups.

ADMINISTRATIVE: Responsible for budgeting, personnel, data processing, training, facilities management, purchasing, crime and traffic safety unit, statistics, and communications.

ACCREDITATION

The Abington Township Police Department maintains accreditation from the Pennsylvania Law Enforcement Accreditation Committee (PLEAC) and Commission on Accreditation for Law Enforcement Agencies (CALEA). The Department has also been recognized nationally and internationally for its programming, receiving the prestigious Community Policing Award from the International Association of Chiefs of Police (IACP) twice!

PROGRAMS & PARTNERSHIPS

Programming and partnerships allow the Police Department to be an active partner in the community and provide services that contribute to the quality of life of residents. Information on programs, partners, how to participate or how to get involved can be found at www.abingtonpd.org. Popular programs and partnerships include:

APAIR; Auxiliary Police; Lock for Life; Citizens and Police Together (C.A.P. T.); Town Watch Program; Dog Walk and Watch Program; Away Home Notification Program; Citizens Police Academy; HUB; Volunteers in Policing (V.I.P.); The Abington Police Athletic League (PAL); Abington Township Police Explorers; Youth Aid Panel; Abington Community Taskforce; School Resource Officers; Kids in Safety Seats (K.I.S.S.); Take Me Home; Victim Service Liaison Unit and Red Light Camera Program.

PROGRAM HIGHLIGHTS

THE BRIDGE PROGRAM

The Abington Township Police Department has partnered with Access Services' Montgomery County Mobile Crisis to form the Bridge Program. The Bridge Program is designed to increase connection to mental health services for Abington area residents through a quick referral mechanism. A Mobile Crisis liaison is partnering with Abington Police to support outreach, referral, and co-response in the community. According to the National Alliance on Mental Illness [NAMI], in the United States, one in five adults experience mental illness each year and we lose someone to suicide every 10 minutes. Abington Police hopes that the Bridge Program will add more life sustaining support to the community and will provide additional education to officers through partnership. For additional information, please contact Officer Alison Delaney at 267-536-1080 or adelaney@abingtonpa.gov.

AWAY HOME PROGRAM

The Away Home Program is designed to provide homeowners a means of having their residence checked periodically by an officer when they are away from home for an extended period of time. To participate in this program, visit www.abingtonpd.org and complete our Away Home Notification Form on-line under the Resources and Information tab. You can also call or visit the Abington Township Police Department. Homeowners are also encouraged to help protect their home by placing lights on a timer and arranging to have mail picked up.

GET INVOLVED

Citizen volunteers are one of the Police Department's most important assets! Many of our programs would not exist without the participation of dedicated volunteers. Each year volunteers donate more than 10,000 hours of their time to assist the department with various programs like our Auxiliary Police Program, Town Watch, Citizens and Police Together and the Abington Police Athletic League to name a few. If you are interested in volunteering with us, please contact Officer Andrew Gibbs at 267-536-1097 or agibbs@abingtonpa.gov.

VOLUNTEER OPPORTUNITIES

The Fire Department always needs more volunteer firefighters. However, it takes much more than fighting fire to run a successful fire company. ATFD and our five fire companies also have non-emergency volunteer roles in finance, record keeping, building, maintenance, and fire prevention education, to name a few.

Whatever your skill set, whatever your interests, whatever time you can invest, ATFD needs YOU to become part of our volunteer family. To learn more about joining ATFD as a firefighter or non-emergency volunteer, visit www.abingtonfd.org or call 267-536-1059.

YARD WASTE: Yard waste which consists of grass clippings, leaves, etc., is accepted in 30-gallon brown biodegradable paper bags. Brush and tree limbs, which must be bundled and tied (maximum 3-foot lengths and 3 inches in diameter and weigh no more than 30 lbs.), are picked up on the same day as your regular trash day. Brown biodegradable bags are sold at Giant in Roslyn and Huntingdon Valley, Ackers Hardware in Rockledge, and O'Neil's Market, and at the following Township facilities: Abington Township Building, Abington Free Library, and Township Highway Yard. On a trash day when yard waste is not collected, an image of a circle with a line through it appears on the calendar.

CLEAR & COLORED GLASS, ALUMINUM, STEEL & TIN CANS, PLASTICS #1 THROUGH #7: Above material will be placed in the commingle recycling container. Commingled recycling pick-up is on the same day that your trash is collected. No styrofoam; plastic films, bags, or cutlery; paper, coffee cup lids, straws, plastic 6-pack rings, or coat hangers.

PAPER RECYCLING: Put paper recyclables in your paper recycling cart and place curbside by 7AM on your regular trash day. Collection includes all paper products. Cardboard must be broken down.

FINANCE

Our goal is to provide financial support services that will aid the Board of Commissioners, Township Manager and Operating Departments in the decision-making process and in the common goal of providing the best possible services at the lowest possible costs to the Township's customers.

17TH CONSECUTIVE ANNUAL REPORT AWARD

The Certificate of Achievement for Excellence in Financial Reporting has been awarded to the Township of Abington for the **seventeenth** consecutive year by the Government Finance Officer's Association of the US and Canada (GFOA) for its Comprehensive Annual Financial Report. The certificate of achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The annual report has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the annual report. The GFOA is a nonprofit professional association serving approximately 15,000 government finance professionals with offices in Chicago, IL, and Washington D.C. To view the current or past annual reports, visit www.abingtonpa.gov/annualfinancialreport.

DELINQUENT USER FEES

At the start of each new year, the Tax Collector forwards the list of unpaid sewer rent and refuse fees (user fees), from the prior year, to the Finance Department for collection. This amount is in addition to any notices received from Montgomery County Tax Claim Bureau. The Finance Department notifies property owners of delinquencies and directs them to call and arrange a payment plan. If these requests are ignored, the account will be turned over to an attorney (Portnoff Law Associates) for collection. This action is only taken on property owners not complying with a payment plan and could add significant costs to the bill.

If you have received a notice of delinquency from the Finance Department on sewer rents and refuse fees, please call the Finance Department at 267-536-1049 for payment arrangements. If you have been contacted by Portnoff Law Associates you may call them directly at 866-211-9466.

2022 BUDGET

The 2022 Abington Township budget was underway at the time of this publication. It will be adopted by December 31, 2021. To find the 2022 budget please visit, www.abingtonpa.gov/budget. There you will find this and previous years budgets.

2022 BUDGET PROCESS

The Township Fiscal Year begins on January 1 and ends on December 31 of each calendar year. The Township budget is a 365 days per year evaluative process that begins with the Township Manager developing strategies, goals and guiding principles based on the Board of Commissioners goals and objectives. Such goals and objectives serve as a basis and driver for appropriation decision-making, and as a guide for the Administration, and subsequently all departments.

A Preliminary Proposed Annual Budget and accompanying message is prepared, and is presented as the preliminary spending plan for Board consideration in accordance with the Code of Ordinance(s) of the Township of Abington and Laws of the Commonwealth, specifically the First-Class Township Code and related laws. The formal adoption of the Fiscal Year Proposed Budget is typically scheduled for a public meeting in November, with final and official adoption no later than December 31 of each calendar year. The offices of the Township Manager and Finance Department work in concert to assure all financial policies are prudent and met, with Finance serving as the primary means and method for managing resources.

ABINGTON POLICE ATHLETIC LEAGUE

The Abington Police Athletic League (PAL), a non-profit community organization formed in 2001, seeks to prevent juvenile crime and violence while encouraging personal growth among our young people. PAL centers, staffed by APD and community volunteers, offer structured, personal guidance in a safe, friendly environment. PAL offers a wide range of physical and intellectual activities that address the needs of Abington's youth.

Providing positive adult role models is a critical component of our PAL efforts. In Abington, law enforcement officers and community volunteers work with young people to encourage positive development as members of the local community.

While Abington PAL is sponsored through the Abington Township Police Department, PAL receives no direct funding. As such, PAL is dependent on volunteer support from community-minded individuals, business leaders, corporations and foundations.

If you are interested in making a contribution to PAL, serving as a PAL volunteer, or would like further information, please email Program Coordinator Jan Harris or call 267-536-1083. Visit the website at www.abingtonpal.org.

TAKE ME HOME PROGRAM

The Abington Township Police Department introduced the "Take Me Home" program for families of individuals who may not be able to communicate with a law enforcement officer because of various physical and/or cognitive conditions (i.e., Autism, Alzheimer's, Down Syndrome, etc.). Many of us at Abington Township Police Department have experienced these challenges firsthand with our own loved ones, and we know how critical it is for law enforcement officers to have immediate access to personal background information during an emergency. Time is of the essence, and this background information will help our officers to make informed decisions on how to peacefully intervene to avoid those actions that will likely trigger fear, anxiety, or even a violent response. Officers can search a secure database for information specific to the person to include physical description, photographs, medical conditions, home address, and a list of persons to contact in the event of an emergency. To register for Take Me Home, or for additional information please contact Officer Alison Delaney at 267-536-1080 or adelaney@AbingtonPA.gov, or Officer Andy Gibbs at 267-539-1097 or agibbs@AbingtonPA.gov.

ENGINEERING SERVICES

The Engineering portion of the Department provides general engineering services and oversight for capital and non-capital projects and Township infrastructure, review and oversight of subdivisions and land developments, and direction and control of engineering matters throughout the Township.

STORMWATER UPDATES

Stormwater runoff is one of the leading causes of water pollution, not only in Abington Township, but across the nation. Many residents in Abington are unaware that storm drains carry runoff directly to the nearest stream instead of connecting to a treatment plant to get cleaned first. Since 2003, the Pennsylvania Department of Environmental Protection has permitted the Township's Stormwater System and has implemented standards and requirements intended to help clean up Abington's impaired streams.

We all can do our part to help with restoring the health of our streams. The most basic way to help is to never dump anything you wouldn't drink or swim in directly or indirectly down a storm drain. Things you can do include:

- Installing Rain Barrels at our homes to cut down on stormwater runoff.
- Don't throw grass, leaves, or trash in the storm inlets or in the street.
- Use less fertilizer on lawns.
- Recycle used oil.
- Pick up pet waste.
- Dispose of household hazardous waste responsibly.

We develop and facilitate educational programs, participate in community outreach efforts, identify problem areas in community relations, and suggest and aid in solutions.

WASTEWATER

ABOUT YOUR SEWER

Abington Township sanitary sewers are divided into three areas. Abington owns and operates a wastewater treatment plant located on Fitzwatertown Road, which receives flows from the western third of the township and is permitted for 3.91 million gallons per day by EPA, the PaDEP and DRBC. The areas east of Edge Hill Road are conveyed directly to the Philadelphia Water Department's (PWD) Pennypack interceptor sanitary sewer system and the southern areas of the township flow into the Cheltenham Township interceptor system, which is also conveyed to PWD. There are seven connections from Abington into this interceptor, which are metered. The sewer collection system consisting of approximately 250 miles of various sized pipe and 17 pump stations.

AVOID CLOGGED PIPES!

Sanitary sewer pipes are sized for water flow. Prevent clogs by placing any foreign object in the trash and not down the drain. These items will easily clog the pipes and cause a backup into your basement or first floor sinks and toilets. Please respect your neighbors by not flushing these objects into the sewers to prevent blockages. Most common sources of clogs include:

- Cleaning or baby wipes
- Paper towels, rags or cloths
- Plastic items
- Garbage from kitchen disposal
- Cooking oils and grease

If you and your neighbors are all experiencing backups or slow draining pipes, the sewer main is most likely blocked. If only your drain is backing up or slow, you will need to hire a plumber to clean the pipes and remove the blockage. If the sewer main is blocked or you see water flowing out of a manhole, call 215-884-8329 to report the problem.

MEDICINE DOES NOT BELONG IN THE DRAIN!

NEVER flush medicines or supplements down the drain. The pills will dissolve and eventually pollute the streams and contaminate downstream drinking water intakes. A drop off is available at the Abington Township Police Department.
