Shade Tree Commission

ARBOR DAY 2022 TREE GIVEAWAY

Yes, there is such a thing as a free tree!

The Abington Shade Tree Commission has purchased native trees to give away for free to residents to strengthen our urban forest.

100 native trees will be given to Abington Township residents at no cost. You must be a resident of Abington Township to receive a tree.

Shade trees: Red Sunset Red Maple; American Sycamore; Swamp White Oak

Medium-height trees: Moonglow Sweet Bay Magnolia; American Hop-Hornbeam

Trees are in 5 gallon containers and are 3 to 8 feet tall. You must be able to take your trees home on the day of the giveaway.

The Abington Shade Tree Commission will provide planting and care instructions
A tree planting demonstration will occur at 10:00AM

Saturday, April 30, 2022
10:00AM – Noon

Abington Township Public Library
1030 Old York Road
Abington, PA 19001

✓ **You must register in advance on a first-come first-serve basis**
   ○ Register for your free trees at: www.abingtonpa.gov/treegiveaway
✓ **Each household can reserve up to two trees**
   ○ If reserving two trees, one of them must be a shade tree
✓ **Learn about how to pick the right tree for the right place**
   ○ Visit www.abingtonpa.gov/treegiveaway for more information

Abington's private residences grow 78% of our tree canopy. Trees increase property values, reduce energy bills, improve the visual appeal of neighborhoods, provide homes for wildlife ranging from butterflies to birds and more, reduce stormwater runoff and the risk of flooding, and sequester carbon to help mitigate the effects of global warming.

Would you like to support the program? Donate to make more trees available!
